

From the Brewery

About Our Brewery

The Wrecking Bar Brewpub was born out of a love for West Coast and Belgian-inspired American Craft beer. We source only the finest ingredients from around the globe to create distinctive, unique beers on our 7-barrel brewing system. The brewery is located in the basement of the warehouse at the rear of the property. Come see us for a free tour with one of our brew team, every Saturday at 4:30 PM.

Merchandise

WB Logo Pint Glass ... 5

Growler 1L or 64oz ... 6
Unfortunately, until the state changes some poorly worded legislation, we can only fill your growler with house made Ginger Beer or Root Beer.

Shorty (8oz)/Pint (16oz)

L5PBR Light Lager ... 2.25/4

Our take on an American classic style, L5PBR is light & refreshing with a crisp body and dry finish. A beer that goes down smooth due to the generous addition of toasted rice & flaked corn, it is also a great session beer to enjoy in the pub!

Tap Date 2/25 OG 1.042 IBU 15 ABV 4.8%

Dr. Fünke's Sour Pale Ale (4oz/10oz) ... 2.25/4.75

A pale ale unlike any other! Dr. Fünke's is bright and tart with huge notes of mango and passion fruit from *Saccharomyces Trois*, a yeast strain that generates huge notes of tropical fruit. Kettle soured with *Lactobacillus Brevis* and *Plantarum*, for a pineapple tartness that rounds out the bright acidity and body of this beer. To finish, we hop-bursted this Pale with Azacca and Mosaic hops, and dry hopped at one pound per barrel with the same hops. For the Brew Man Group downstairs, this is Maeby the perfect summer session beer. It's like having a mango in your mouth!

Tap Date 2/25 OG 1.047 IBU 25 ABV 6.0%

Not a Whale Nut Brown Ale ... 2.5/4.5

This beer was not intended to be barrel aged, dry-hopped, or soured. This is a beer-drinker's beer. Notice the aromas of freshly baked biscuits, toasted chestnuts, & subtle caramel backbone, combined with just a touch of English hops to provide the perfect culmination of flavor and drinkability. No need to chase this beer, there is plenty to go around. Tap Date 1/22 OG 1.050 IBU 22 ABV 4.9%

Atlanta Altbier (13oz) ... 4

An ale/lager hybrid that is between amber and brown in color, this beer is of the Northern German Altbier style. There is a nice amount of biscuit, toffee, and caramel in the malt aroma and flavor, noticeable at the forefront and fades to a dry finish: a nice lingering, but not strong bitterness. Tap Date 11/14 OG 1.051 IBU 29 ABV 5.3%

May the Schwarzbier with You ... 2.75/4.75

Don't let the color of this beer fool you, a schwarzbier is a traditional German style lager style designed to be deceptively drinkable. Ours is "Americanized" in the slightest with just a touch of extra roasty flavor to make it a cold weather sipper, but this is every bit as crisp and quaffable as any lager or Kolsch. Whether you are looking for a sessionable drinking beer or a well-rounded traditional beer style, just go ahead and use the Schwarz.

Tap Date 3/1 OG 1.055 IBU 32 ABV 5.9%

Jemmy Stout ... 3/5.5

With eleven different grains used in the brewing process, this is one of the more complex stouts out there. Several different roasted barleys, wheat, oats and caramelized grains yield hints of bread, toffee, dark fruits, chocolate and coffee. Just enough hops for balance and traditional English yeast for true stout character.

Tap Date 2/24 OG 1.063 IBU 42 ABV 6.4%

Shorty (8oz)/Pint (16oz)

Maltlanta Doppel Sticke (4oz/13oz) ... 2.75/5

The big brother to our Atlanta Dusseldorf-style Altbier, Maltlanta is a Sticke Altbier brewed to be larger and grander in every way. Rich malt aroma of toffee and biscuits are balanced by a light herbal hop nose coming from the glass. In typical Altbier fashion, the beer is notable for big bright malt notes of caramel and shortbread while finishing crisp and dry for such a large beer. This is a highly refreshing and satisfying brew; you might even forget how big and bad the beer is, so exercise caution! Tap Date 2/2 OG 1.080 IBU 50 ABV 8.9%

Wreck-o-Lantern

Pumpkin Dubbel (4oz/10oz) ... 3/5.5

Brewed with 50 pounds of roasted pie pumpkins in the mash and lightly seasoned with a spice mixture of ginger, allspice, nutmeg, and cinnamon for a smooth body and a bit of spice.

Tap Date 10/28 OG 1.070 IBU 20 ABV 7.3%

Prichard's Rum Barrel Aged

Pumpkin Dubbel (4oz/10oz) ... 3.25/6

The barrel aging our Wreck-O-Lantern Pumpkin Dubbel created a beautiful balance of rum, oak, vanilla, light spice, and mellow Belgian character. ABV 7.3%

Puff, Puff, Glass

Imperial Smoked Porter (4oz/8oz) ... 3/5.5

Brewed to drink for the colder weather as it starts to settle in. We used a blend of English Pale, Chocolate, Dark Crystal, and Black malts to create the base for this complex brew. For an additional layer of flavor, we smoked roughly 10% of the grist in our smoker with both Alderwood and Pecan wood. The finished beer has notes of chocolate, toffee, roast, and a subtle/smooth smoke character to round out the flavor profile. A touch of piney American hops to balance, this beer will certainly be one to be kept in rotation for your drinking pleasure.

Cheers! Tap Date 11/21 OG 1.074 IBU 50 ABV 8.0%

Hopback Mountain Imperial Rye

India Black Ale (4oz/10oz) ... 3/5.5

Brewed with English pale, spicy rye malt, and several carefully selected roasted grains from Germany and Chile, this robust ale has a subtle roasted chocolate undertone paired with a bold citrusy hop flavor and aroma. We hopped this beer with extensive amounts of American aroma hops, then ran the wort through a mountain of Citra and Amarillo whole-cone hops in our hop-back prior to fermentation. Our brewer, Neal, says, "I can't quit this beer."

Tap Date 3/3 OG 1.074 IBU off the charts ABV 8.0%

Wood Aged

TN Whiskey Barrel Aged Dopplebock (4oz/8oz) ... 3.25/6

Our Roggenator rye dopplebock, aged 6 months in a Tennessee whiskey barrel. Notes of plum, raisin, and caramel.

This is a full bodied and intensely malty brew. It's good, real good. Great even. We like it. Have some. ABV 7.5%

Guest Tap

Three Taverns – A Night on Ponce ... 3.5/6.5

This IPA was brewed with a Belgian yeast and the result was an entirely different beer, one that brings out the lush notes of citrus fruit inherent in this hop-forward style before tapering to a clean, dry finish. It's an American IPA for lovers of American IPA, yet crafted with the same painstaking attention to detail that's a Belgian hallmark. ABV 7.5%
